Memo 2

March 13th, 2020

Dear Opportunity Center Friends and Family,

We are currently dealing an unprecedented event, the concern of the spread of COVID-19, and information is constantly changing. We, the Opportunity Center, are trying our best to make the best decision to keep individuals served, families and staff safe and informed.

The School of Opportunity and all Adult Day Services at the Seneca County Opportunity Center (Fostoria and Tiffin locations) will be closed Monday, March 16th, 2020 through April 3rd, 2020. Events during this time frame are also cancelled. This decision was made in care, and with an abundance of caution, for the health and safety of people served, families, and staff.

All Opportunity Center locations will be closed to the public Monday, 16th, 2020 through April 3rd, 2020. These locations include: Early Intervention (Sentinel and GLCAP buildings), Service and Support Administration, Fostoria Division, Tiffin Division, School of Opportunity, and the Corner Delights Bistro.

County Board Employees and Administration will be reporting to work and will be able to assist via phone and email during this time period. Included below is a phone list of departments.

This is an evolving situation and updates will be provided when we receive more information.

Please remember to follow universal precautions, as outlined by the Center for Disease Control. Please use the CDC's website for up to date, accurate information. For direct factual information or assurances, the Ohio Department of Health can be contacted at 1-833-427-5634 anytime between 9 a.m. and 8 p.m.

If you have any questions or concerns, please reach out to your Opportunity Center representative.

Thank you for your patience and understanding as we navigate this constantly changing circumstance. We have your health, safety, and well-being in mind as our highest priority.

Lewis L. Hurst, Superintendent
